Transyl-Mania

ABOUT THE SHOW: Cue the lightning! Cue the thunder! It's monster mayhem in this frightfully fun comedy! Transylvania High School is where the kids of all the classic monster movie villains go to learn the tricks of the trade. There are vampires, mummies, werewolves, zombies, witches, Frankenstein's daughter, the Invisible Man's son, and even the Phantom of the Opera's kid, all of them struggling to live up to their parents' legendary examples. From science fair projects to cliques, these monsters struggle with the same stresses as typical teenagers. When a group of human high school students stumbles upon the monster school thanks to a broken down bus, utter mayhem ensues. Far more silly than spooky, this comedy delivers both loads of laughs and a gentle message about befriending those who are different from us.
