SOCIAL EMOTIONAL LEARNING, Susan K. Purcell-Orleck, SEL Facilitator

SEL for parents:

"Teens tend to be impulsive. After all, it's hard not to be when they are young and have not had to deal with the consequences of bad decisions yet. But one strategy that can help is to practice simple mindfulness exercises that are designed for teenagers."

Please visit our **SEL at Meigs website** (<https://selatmeigs.weebly.com/sel-for-parents-2022-2023.html>) to read an article that provides a quick definition of mindfulness as well as 17 mindfulness activities for teens.
