Welcome Meigs parents and students!

My name is Melody Osborne, and it is my pleasure to serve as the Professional School Counselor at Meigs Academic Magnet School for 6th and 8th graders. I am here to help all students navigate the challenges of middle school and transition to high school.

In my role as School Counselor, my goal is to support students' academic success through the support of their social and emotional well-being. I serve as a resource to students and parents. I work to coordinate the best resources and services to support each student's individual needs.

I can be reached via email at Melody.Osborne@mnps.org or by phone at 629-910-4701. Please reach out with questions, or for assistance at any time.

Again, welcome to Meigs! I hope you have a wonderful first year at Meigs!

Sincerely,

Melody Osborne
